## Friday 15<sup>th</sup> November 2019

*It was with great regret that I was left with no option but to cancel our May gig. At around 11.30am on the 17<sup>th</sup> of May I got a phone call from Eric Morton (our Treasurer,) to tell me that the Patterson Lakes Community Centre had been trying to contact me in relation to the availability of the hall. I thought this strange as I had already talked to them at about 10 o'clock and had asked that they put out 16 tables for us and to make sure that the security bloke would be there at 6. to let us in. At that time nothing was mentioned about the hall not being available. I immediately rang the center, and was told by a staff member that the Australian Electoral Commission required the hall that afternoon, so they could set it up for voting the next day, I asked why they couldn't set up after our gig, but unfortunately once again the bureaucracy do not work that way and apparantly there is legislation in place that gives them priority. The PLCC staff do apologies to the club for the oversite in not giving us more notice and have offered us a free night in lieu. I would like to thank all those who helped me spread the word of the cancelation. A big sorry to Pam & Kieth Watson, Neil & Margaret Abbott, and anyone else that I didn't manage to contact,*

Coming to the PJC. at the PLCC.

## *Sundee Concert 5<sup>th</sup> May*

Tamsin West along with the very talented group of musicians led by Jason Downes once again provided another great concert. Unfortunately only 75 people came along on the day and enjoyed an excellent lazy Sunday afternoon. Thank you to all who attended but because the numbers were so low our club once again ran at a loss. Due to a cost of hall hire ( \$450 )for a Sunday plus band fees, the entry fee from 75 people just covers the band hire costs. The PJC committee will need to look seriously at the future of our Sunday concerts as these losses come at the expense of our dwindling nest egg.

**Jazz on the green** at Queenscliff was again well worth the trip. The group of 22 PJC members and friends that ventured across the bay on the ferry were made very welcome by the good folk from the GJC . We thank all of you, for your kind thoughts and efforts in making our visit a very enjoyable afternoon. Good band, good food, good company, well organized, What more could anyone want. Thanks Again GJC.

*Received from GJC Hi Dave,*

*A short note to yourself and the members of Peninsular Jazz Club to say thank you all for your participation in Jazz on the Green in Queenscliff. I am pleased to say that the feed back from the G.J.C. members was very positive as usual, the feeling being that it is good to catch up with old friends and also make new ones. We will of course be putting this event into our calendar for next year.*

*Best regards to all.*

*Jan Goodier President Geelong Jazz Club.*

Our Thoughts go out to Valda Harris after she suffered a fall at the Sunday Concert and was taken to hospital. She was later diagnosed with a fractured pelvis. She is on the mend and will be back soon. Thank you to Jacquie Morris who helped Valda until the ambulance arrived . Also GET WELL SOON to Frank Carroll, Frank is in hospital fighting off a virus he picked up while on a cruise.

A woman was flying from Seattle to San Francisco. Unexpectedly, the plane was diverted to Sacramento along the way.

The flight attendant explained that there would be a delay, and if the passengers wanted to get off the aircraft the plane would re-board in 50 minutes...

Everybody got off the plane except one lady who was blind...

A man had noticed her as he walked by and could tell the lady was blind because her guide dog lay quietly underneath the seats in front of her throughout the entire flight... He could also tell she had flown this very flight before because the pilot approached her, and calling her by name, said, "Kathy, we are in Sacramento for almost an hour, would you like to get off and stretch your legs?"

The blind lady said, "No thanks, but maybe Buddy would like to stretch his legs."

All the people in the gate area came to a complete stand still when they looked up and saw the pilot walk off the plane with a guide dog for the blind! Even worse, the pilot was wearing sunglasses!

People scattered. They not only tried to change planes, but they were trying to change airlines!
