

*Dear Members*

*Hope you are all well and coping with the lock down. We have been playing a lot of our cd's and old records, it's been good to get some of the old stuff out and have a dance around the lounge room, pretending that we are at our regular gig surrounded by all our PJC friends and jazz lovers. We have no idea when we will be able to get back on track.*

*The last we heard from the Patterson Lakes Community Centre was not good, as there has been a change with the management arrangements. The Kingston Council has taken control of the building, and have closed it down. This action is not only related to the current virus lock down. At this stage we have no idea of what the future holds, for further hire costs, set up and availability of the hall. In the mean time we have been making inquiries about possible alternatives within the Peninsula area. Our AGM is due by the end of June, so please let me know if your club details or any other member you know, have changed and need to be updated, ie. if you have an email address. (this is the best form of contact.)*

*In the mean time Keep safe and don't touch your face.*

*Dave Forrest*
