With all the talk now being centred around 70% to 80% of the population being vaccinated before we can get back to anything like normal, we will still continue with our program. Keep in mind that cancellations can happen at short notice, so always check with Dave or Fran on the booking number (0481881891) if you have any doubts.

After we have had to cancel our Annual General Meeting for the fourth time and not wanting to cancel again, we have decided to postpone any more attempts at choosing another date, until such time that there is more certainty that it will go ahead. (which will probably be early next year) More info will come closer to any date that can be arranged.

Membership renewal for 21-22 financial year has been slow, which has been quite understandable. The fact that our last 4 gigs have not gone ahead and there is still no guarantees for the rest of the year. We have therefore decided that membership fees will again be held over for a further 6 months.

If you wish to renew for the first half of next year,

please remit \$12.50 for a Single or \$20 for a Double membership by

**Personal Cheque**, payable to the Peninsula Jazz Club inc. to the

Membership Secretary, 20 Enterprize Ave. Chelsea Heights. Vic. 3196.

OR by **Bank Transfer**. Account Name. Peninsula Jazz Club Inc.

Westpac Bank Chelsea **BSB 033-371** Account No. **342756**.

**Please Make sure you leave your name with your transfer so current files can be updated.**

To those who have already paid, we thank you. We can rollover payment to the 22-23 year or reimburse you. Please let Dave know your preference.

**Vale Max Johnson Passed away 2/8/21.**

Our condolences to Marie & Family

I can remember the clocks that Max made from old 78rpm records and he always donated them to the raffle. RIP.

To all PJC members and friends, Please keep safe, and be positive, we will beat this virus by being true to each other and getting vaccinated.

SEE YOU ALL SOON *The Committee*
