Hot-B-Hines

Please Note that there has been a number of changes to our advertised forthcoming 2023 program. Unfortunately the Tootybug jazz festival is on the same weekend as our April gig which has left Lightning Jazz with only one third of their regular line up. Although, Paul did offer to put together another group to replace those that are not available, we agreed that we would give Lightning Jazz another date later in the year. In the meantime I'm talking to Bill Lawler from the original WONDERDOGS to grace the PJC
Also May & June bands have swapped dates
